Course Code:
HIST 5112

Course Title: History of India (upto 1200 A.D.)

Course Objective: The course lays foundation of the historical study. The present course will be useful in providing a comprehensive understanding to the evaluation of ancient Indian society and the student will be able to identify the forces and factors that shaped the course of glorious ancient Indian history. The students will develop a critical awareness of various categories of sources for the study of ancient Indian history. They will learn the analytical skills to explore the development of India's religious systems, cultural and geographical accomplishments in historical perspective. They will be able to explore the connections between multiple causative factors and assess their relative historical significance. They will understand the process of the rise and decline of imperial states in ancient India. This paper is designed to develop the understanding of the process of transition from ancient period to the early medieval period and figure out the key determinations that made this transition possible. It will develop an understanding of the growing culture and political and economic linkages between North and South Indian. The student will also get familiarized with the development of historical processes in peninsular india far south.

Credits: 6

Core: Compulsory
