11. Security deposit will be deducted @ 5 % from Contractor running bills and will be refund after six months from actual date of Completion of work. The security deposit shall bear no interest. All other deductions will be as per govt. rules
 12. The contractor will be responsible for deployment of sufficient man power as per requirement along with supervisor
 13. **Compensation for delay**
The work shall, throughout the stipulated period of the contract, be carried out with all diligence. If the contractor fails to attend complaints assigned within the 48 hrs as per requirement of the university then penalty of Rs. 2,000/- (rupees one thousand) as liquidated damages for each such fault will be imposed by the university. The Employer may, without prejudice to any other method of recovery, deduct the amount of such damages from any money due or which become due to the contractor. The recovery or deduction of such damages shall not relieve the contractor from any obligations and liabilities under the contract.
 14. The contractor will be responsible for procurement of all/any materials as per approved quality required for completion of job at any time. Storage space on request, if available, may be provided as per norms of the university. If the storage space is not provided by the university then the contractor will have to arrange the same at his own
 15. Payment bill within limit of work order amount and bill shall be submitted for executed works by the contractor .
 16. All the materials required as per B.O.Q. for the work shall be arranged by the contractor at his own cost and risk.
 17. If performance of the agency is not found satisfactory, The job will be terminated with forfeiture of performance guarantee amount.
 18. **SAFETY CODE:**
The contractor shall abide by the safety regulations of the employer, or as required by the engineer, in respect of all labour engaged for the performance of the works and shall provide all the facilities in connection therewith. The contractor shall be responsible for following the provisions of all labour laws and rules made there under and other statutory requirements. The contractor shall ensure that necessary safety appliances are being used by his employees and workers working at site, particularly those engaged in work, without which the employees and workers shall not be permitted to be engaged on the work.
The contractor shall be responsible for the safety of his labour and employees. The contractor shall be responsible for making all safety arrangements in the execution of work and shall employ trained workmen conversant with safety regulations. The contractor shall use only tested equipment and tools and shall periodically conduct tests according to standard procedures laid and such certificates shall be readily available for inspection at the site of work. He shall replace any tools, if so asked by the Engineer. The contractor shall be responsible for following all safety regulations and report all accidents to the concerned authorities and the engineer. The employer reserves the right to issue directions regarding safety and such directions shall be immediately implemented by the contractor.

19. UNAUTHORISED USE OR MISUSE OF EMPLOYER'S/PUBLIC PROPERTY OR UTILITIES.

The contractor and his employees/workmen and the contractor's sub-contractor and their employees/workmen are forbidden to unauthorized use or misuse the employer's/public property or utility and if any such unauthorized use/misuse occurs, the employer may take severe action against the contractor including for direct and indirect damages losses, etc for removal of their workmen concerned and forfeiture of performance guarantee, in addition to statutory and legal actions on the contractor. Such recurrent action by the contractor will also be considered as persistent negligence on the part of the contractor to carry out his obligation under the contract.

20. ENVIRONMENT, SAFTY & HEALTH. FOR GREEN & CLEAN UNIVERSITY CONCEPT

The following environment, safety & health points are to be adhered:

- a) **The contractor must adhere to all the applicable statutory laws pertaining to safety, health and environment.**

Quality of materials and workmanship shall conform strictly to tender specifications and Contractor will ensure will ensure that the quality of work is appropriate to the specifications and the work is done to the satisfaction of the Architect with strict control on the materials, workmanship and supervision.
25. The whole of the work including electrical / plumbing / sanitation is to be complied with as per the requirements and byelaws of the relevant statutory authorities.
26. The Contractor shall get the all the material approved by the UNIVERSITY EGINEER in consultation with the employer prior to its use. The contractor shall keep one set of sample of materials approved UNIVERSITY ENGINEER by the for its ready reference at site of work and shall ensure that the materials incorporated in the works strictly conform to the sample approved.
27. All other materials for use in the work shall be got approved by the UNIVERSITY ENGINEER before placing order / procurement.
28. It may be required by the UNIVERSITY ENGINEER to arrange to test materials and portions of the works by the contractor at his own cost in order to prove their soundness and efficiency. These tests should be carried out at the approved Institutions/NABL approved labs as directed. If after such test the work or portions as of the works are found to be defective or unsound the Contractor shall if ordered by the UNIVERSITY ENGINEER pull down and reject the same at his own cost.
29. The contractor shall r e p o r t t o the UNIVERSITY ENGINEER representatives, before covering up or otherwise placing beyond there each item of work. Should the contractor neglect to do so the same shall be uncovered at the Contractor's expense and if found to be executed in default of specifications/requirements, no payment or allowance shall be made for such work and Contractor shall have to remove and re-do the same at his own cost.

30. The whole of the work as described in the Contract (including the Bill of Quantities, the Specifications, General / Special Conditions pertaining thereto) and as advised by the university engineer from time to time is to be carried out and completed in all its parts to the entire satisfaction of the university engineer. Any details of execution, which may not have been definitely referred to in this contract, but which are usual in interior works and essential to the work, are deemed to be included in this contract. Rates quoted in the Schedule shall be inclusive of all freights, taxes, Royalties, work contract tax, GST etc., as well as transportation, so as to execute the contract as per the rules and regulations of local bodies, and Government of India/Rajasthan.
- The rates quoted in the tender should include all charges for: -
- a) Labour, maintenance, Fixing, carrying, Cleaning, making good, hauling, watering etc.
 - b) Plant, Scaffolding, frame work, English ladders, ropes, nails, spikes, tools, materials and workmanship protection from weather, shuttering, temporary supports, Platform etc.
 - c) AH temporary canvas, lights, barricades etc. The university engineer will be the sole judge in deciding as to the suitability of the tools or plants that might be brought to the site of works by the Contractor for the proper execution of the work.
31. The Contractor workmen may be allowed to work on Sundays/Holidays subject to the prior permission of the same by the Employer. No extra cost claim would be entertained for the above.
32. **All work shall be carried out as described in the tender item and with the .P.W.D. rajasthan Specifications laid therein, unless otherwise stated. If not covered as above, I.S. codes specifications shall be followed in that order. For patented products, the manufacturer's specifications and instruction shall be followed. For any discrepancy in various specifications, university engineer decision shall be final and binding on both the parties. In case there are no laid down specifications, university engineer specifications and instructions for that particular item shall be followed.**
33. **All required T&P and staging material has to be arranged by the contractor at his own cost to full fill the obligations of the contract, university will not make any payment on this part & deemed to be included in BOQ ITEMS**
34. **In case of any dispute jurisdiction of court will be at Kota only.**
35. **Recovery for replaced unserviceable scrap material will be made @ 2% of payable bill amount to the contractor. All such unserviceable scrap material will be the property of the contractor.**
36. **If the successful rate contract holder quotes/reduces its price to render similar goods, works or services at a price lower than the rate contract price to any one in the State at any time during the currency of the rate contract, the rate contract price shall be automatically reduced with effect from the date of reducing or quoting lower price, for all delivery of the subject matter of procurement under that rate contract and the rate contract shall be amended accordingly. If rate contract holding firm does not agree to the reduced price, further transaction with it, shall not be conducted.**

Grievance Redressal during procurement process

The designation and the address of the first appellate authority is Hon'ble V.C. UOK, Kota.

The designation and the address of second Appellate Authority is Additional Chief Secretary (Higher Education, Govt. Rajasthan)

(1) Filing an appeal

If any bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring Entity is in contravention to the provisions of the act or the rules or the Guidelines issued there under, he may file an appeal to first Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action, omission, as the case may be, clearly giving the specific ground or grounds on which he feels aggrieved:

Providing that after the declaration of a bidder as successful the appeal may be filled only by a bidder who has participated in procurement proceeding:

Providing further that in case a Procuring Entity evaluates the Technical Bids before the opening of the Financial Bids, an appeal related to the matter of Financial Bids may be filled only by a Bidder whose Technical Bid is found to be acceptable.

- (2) The officer to whom an appeal is filled under para (1) shall deal with the appeal as expeditiously as possible and shall endeavour to dispose it of within thirty days from the date of the appeal.
- (3) If the officer designated under para (1) fails to dispose of the appeal filed within the period specified in para (2), or if the Bidder or prospective bidder or the Procuring Entity is aggrieved by the order passed by the Procuring Entity, as the case may be, may file a second appeal to second Appellate Authority specified in the Bidder Document in this behalf within fifteen days from the expiry of the period specified in para (2) or of the date of receipt of the order passed by the first Appellate Authority, as the case may be.

(4) Appeal not to lie in certain cases

No appeal shall lie against any decision of the Procuring Entity relating to the following matters, namely:-

- (a) Determination of need of Procurement
- (b) Provisions limiting participating of Bidders in the Bid process;
- (c) The decision of whether or not to enter into negotiations;
- (d) Cancellation of a procurement process ;
- (e) Applicability of the provisions of confidentiality

(5) Form of appeal

- (a) An appeal under para (1) or (3) above shall be in the annexed form along with as many copies as there are respondents in the appeal.
- (b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payments of fee.
- (c) Every appeal may be presented to first Appellate Authority or Second Appellate Authority, as the case may be, in person or through registered post or authorized representative.

(6) Fee for Filling Appeal

- (a) Fee for first appeal shall be two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non refundable.

- (b) The fee shall be paid in the form of bank demand draft or banker's cheque of a Scheduled Bank in India payable in the name of Appellate Authority concerned.

(7) Procedure for disposal of appeal

- (a) The first Appellate Authority or Second Appellate, as the case may be upon filing of appeal, shall issued notice accompanied by copy of appeal, affidavit and documents, if any, to the respondents and fix date of hearing.
- (b) On the date of fix hearing, the First Appellate Authority or second Appellate Authority , as the case may be-
 - (i) Hear all the parties to appeal present before him; and
 - (ii) Peruse or inspect documents , relevant records or copies thereof relating th the matter
- (c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.
- (d) The order passed under sub-clause (c) above shall also be placed on the State Public Procurement Portal.

Signature of the Bidder with seal

Annexure-D

Additional conditions of contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, that Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- (i) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (iii) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to vary Quantities.

- (i) At the time of award of contract, the quantity of goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit price or other terms & conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the conditions of contract.
- (iii) In case of Procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Service Provider fails to do so, the Procurement Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Service Provider.

3. Dividing quantities among one than more Bidder at the time of award (In case of procurement of Goods)

As a general rule all the quantities of the subject matter of procurement shall be procured for the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.

Signature of the Bidder with seal
